

## Friends,

As 2022 comes to a close, I want to share highlights of my office's work serving North Carolina's Ninth Congressional District this year. I look forward to continuing to serve North Carolinians next year as the Representative from the Eighth District.

Representing North Carolina in Congress is a great honor - thank you for bestowing me with this responsibility. This has certainly been an interesting year, and I'm proud of what our team has accomplished.

Next year, I will continue the fight for Constitutional government, fiscal sanity, and all Americans' God-given rights and liberties. I hope that you and your family will continue to provide our office with the feedback that we need in order to serve you best. I also ask for your prayers as we set out on another year of serving North Carolina.

In 2022, our excellent team successfully closed 1469 constituent case work requests, had two bills signed into law, and introduced 19 bills fighting for the American people. If you or someone you know requires assistance with a federal agency, please reach out to my office for assistance.

Jo and I pray that you and your family have a happy and safe start to the New Year.

Sincerely,

Dan Bishop  
Member of Congress
